COMMUNICATIONS FROM CITY OFFICIALS

June 29, 1938.

To the Members of the Common Council.

Attached you will please find copies of proposed General Ordinance No. 53, 1938, authorizing me to borrow the sum of Two Hundred Sixty-Six Thousand (\$266,000.00) Dollars and to issue for this purpose, and to sell two hundred sixty-six (266) bonds of one thousand \$1,000.00) each to be designated as "East Street Funding Bonds of 1938, First Issue."

Attached also you will please find copies of proposed Appropriation Ordinance No. 8, 1938, appropriating the proceeds anticipated from the bond sale to the Thoroughfare Plan Fund for the acquisition of property for the right of way and incidental matters on East Street.

I respectfully recommend passage of the bond authorization ordinance under suspension of your rules, and wish to advise that I take this action at the request of the Board of Public Works and Sanitation in a resolution of that Board duly certified and directed to me, asking me to make immediate arrangements to obtain the necessary authority, and to take steps to raise the required sum of money.

I respectfully recommend that both of these ordinances be passed as expeditiously as will meet with the approval of your honorable body.

Very respectfully yours,

H. NATHAM SWAIM.

June 30, 1938.

Honorable President and Members
of the Common Council,
City of Indianapolis, Indiana.

Gentlemen:

We are enclosing herewith twenty copies of General Ordinance No. 54, 1938, effecting the property bounded by 46th Street, Capitol Avenue, 49th Street and Boulevard Place.

This ordinance will increase the area requirements of the effected property from 4800 sq. ft. per family to 7500 sq. ft. per family.

Very truly yours,

V. B. McLEAY,
Secretary-Engineer,
CITY PLAN COMMISSION.

To the Honorable President
and the Members of the Common
Council:

Gentlemen:

In re: G. O. 55, 1938.

The legal department has been involved in a great deal of litigation with reference to the city's regulation of pawnbrokers.

July 1, 1938]

City of Indianapolis, Ind.

329

The Shelby Circuit Court has passed upon some of the provisions of the existing regulations, and has not upheld the city with reference to these.

In order therefore to bring our ordinances with reference to pawnbrokers within what the courts have held to be valid regulations, and in order to dispose of points that we probably may not be able to enforce, this department has redrafted an entirely complete ordinance regulating pawnbrokers containing all that the Board of Safety and the police department, in the past, have required, and now submit this ordinance for your consideration.

Inasmuch as this ordinance is merely to correct legal objections, and brings together at once all regulations now desired by the city with reference to pawnbrokers, the legal department respectfully recommends its passage, and likewise recommends the striking from the files of proposed General Ordinance No. 29, as the same appears at page 150 of the printed Journal of your Common Council, which ordinance was introduced by Councilman Kealing. Inasmuch as the ordinance drafted by the legal department contains complete regulations, proposed General Ordinance No. 29 would be superfluous if the council should pass the proposed ordinance which we herewith attach.

Very respectfully yours,

DEPARTMENT OF LAW,
By Michael B. Reddington,
City Attorney.

July 1, 1938.

Mr. Daniel J. O'Neill,
City Clerk.

Dear Sir:

Attached hereto are 16 copies of Resolution No. 9, 1938, authorizing the Board of Public Works and Sanitation to file an application with the Federal Emergency Administration of Public Works to assist in the financing the cost of the construction of the Warleigh Main Sanitary Sewer.

Will you kindly present this resolution to the Common Council at its next meeting with the recommendation from the Board of Public Works and Sanitation that the same be passed?

Very truly yours,

BOARD OF PUBLIC WORKS & SANITATION,
ERNEST F. FRICK,
Executive Secretary.

Mrs. Dowd asked for a recess. The motion was seconded by Mr. Cable and the Council recessed at 10:20 a. m.

The Council reconvened at 10:30 a. m. with the same members present as before.

INTRODUCTION OF APPROPRIATION ORDINANCES

By the City Controller:

APPROPRIATION ORDINANCE No. 8, 1938

AN ORDINANCE appropriating to the Thoroughfare Plan Fund the proceeds derived from the sale of "City of Indianapolis East Street Funding Bonds of 1938—First Issue," provided for in General Ordinance No. 53, 1938, and fixing a time when the same shall take effect.

WHEREAS, The Common Council now finds that an extraordinary emergency now exists for the appropriation of additional sums not included in the existing budgets and levies and not included in the same at the time of the making thereof, for the immediate acquisition of property and for the improvement of South East Street in said city; that the south side of the city of Indianapolis is now lacking in streets of sufficient width, and that due to the offered aid and assistance of the United States Public Works Administration, and the low rate at which money can be borrowed, an emergency exists whereby the city should undertake to accomplish the work at this time, and,

WHEREAS, it is necessary under the provisions of Chapter 150 of the 1935 legislature to afford taxpayers an opportunity to be heard as to such additional appropriation, and also to obtain the approval of the State Board of Tax Commissioners as to such additional appropriations,

NOW, THEREFORE,

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:

Section 1. That the proceeds derived from the sale of "City of Indianapolis East Street Funding Bonds of 1938, First Issue," in the amount of \$266,000.00 be and the same is hereby appropriated to the Thoroughfare Plan Fund of the City of Indianapolis, and that any premium offered at the time of the sale of such bonds be likewise appropriated to said fund, but only to the extent that said premium be used to retire bonds on which said premium was offered. Said appropriation shall be a continuing one until all of the acquisition of property and the improvement of South East Street is brought about and completed.

Section 2. The City Clerk shall give notice to taxpayers as to a date on which said taxpayers shall have an opportunity to be heard, and shall likewise deliver a certified copy of this ordinance to the Auditor of Marion County, Indiana, to be forwarded to the State Board of Tax Commissioners as provided for by chapter 150 of the Acts of 1935.

Section 3. This ordinance shall be in full force and effect from and after its passage, and signing by the duly qualified and acting mayor of the City of Indianapolis.

Which was read the first time and referred to the Committee on Finance.

The date fixed for the sale of said bonds shall not be earlier than five (5) days after the last of said publications. Said bond sale notice shall state the time and place of sale, the purpose for which the bonds are issued, the amounts thereof, the maximum rate of interest thereon, the time of payment, and the terms and conditions upon which bids will be received and the sale made, and such other information as the duly qualified and acting City Controller shall deem necessary.

Among other things, such notice shall advise the bidders that all bids for said bonds shall be filed with the duly qualified and acting City Controller in his office in said city, in sealed envelopes marked "Bid for East Street Funding Bonds of 1938—First Issue"; that each bid shall be accompanied by a certified check payable to the City of Indianapolis in the amount of Six Thousand Six Hundred Fifty Dollars (\$6650.00) to guarantee the good faith of the bidder and that, in the event the bidder to whom the bonds are awarded shall fail or refuse to comply with the provisions of its bid, then said check and the proceeds thereof shall be and become the property of the City of Indianapolis and shall be taken and considered as the liquidated damages of the city on account of such failure or refusal. Said notice shall also provide that bidders for said bonds shall be required to name the rate of interest which said bonds are to bear, not exceeding the maximum rate herein provided, and that such interest must be in multiples of one-fourth of one per cent, and not more than one interest rate shall be named by each bidder; that the duly qualified and acting City Controller shall award said bonds to the highest qualified bidder who has submitted his bid in accordance with the notice of the sale, and that the highest bidder shall be the one who offers the lowest net interest cost to the city, determined by computing the total interest on all the bonds to their maturities and deducting therefrom the premium bid, if any.

Section 5. No bid for less than the par value of said bonds, including the accrued interest from the date of said bonds to the date of delivery thereof, at the rate named in the bid, shall be considered. The duly qualified and acting City Controller shall have the right to reject any and all bids. In the event the duly qualified and acting City Controller shall receive no satisfactory bid for said bonds at the time fixed in said notice of sale, he shall be authorized to continue to receive bids thereafter from day to day until a satisfactory bid has been received, and in the event of the continuation of sale, the duly qualified and acting City Controller shall open all bids filed at the same hour each day as stated in the bond sale notice.

GENERAL ORDINANCE NO. 55, 1938

AN ORDINANCE concerning police regulations for the licensing of pawnbrokers, repealing all ordinances in conflict herewith, and fixing a effective date.

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:

Section 1. In order to prevent the disposition of stolen or purloined articles, and to protect the public and pawnbrokers in the City of Indianapolis from the ill effects of the easy disposition of stolen or purloined articles, and in order to provide funds for the enforcement of regulations necessary to accomplish this purpose, it shall be unlawful for any person, firm, or corporation to engage or continue in the business of pawnbroker without first procuring a license therefor, as provided in this ordinance. Every person, firm or corporation who loans money on the deposit or pledge of the small types of personal property, including clothing, jewelry, watches, guns, musical instruments, typewriters, sporting equipment, opera glasses, tools of trades, and like small articles of personal property, but not excluding articles not specifically included herein, or who deals in the purchasing of such

personal property on condition of selling the same back again at a stipulated price, is hereby defined and declared to be a pawnbroker.

Section 2. Every person desiring to conduct, maintain or engage in the business of pawnbroker, shall make application in writing to the City Controller for license so to do, specifying the street and house number of the building in which such applicant intends to carry on such business, which application shall also be signed by at least three resident freeholders of said city, specifying that the applicant is of good moral character. Any such license shall bear date as of the second Monday in January of the year in which it was issued and shall expire upon the second Monday in January of the next succeeding year; and no reduction of the required license fee shall be made for any part of the year elapsed at the time of making such application, and upon the issuance of such license the applicant shall pay to the City Controller a fee of One Hundred Dollars (\$100.00).

Section 3. No person shall, by virtue of one license, conduct, maintain or engage in the business of keeping or operating more than one pawnbroker's establishment. Provided, however, that any person may procure from the City Controller any number of licenses herein provided for, upon payment of the stipulated fee, and compliance with all other requirements of this ordinance. And provided also, that such person may remove from one place of business to another in said city by giving an immediate written notice to the City Controller, specifying the street and house number of the building to which said removal is made, and separate records, as hereinafter provided, shall be kept for each store.

Section 4. It shall be unlawful for any person engaged in the business of pawn broking to receive as pawn, pledge or purchase, on any condition whatsoever, any article or personal property, of the type numerated in Section 1, hereof or other valuable thing, between the hour of seven o'clock P. M. on any day and the hour of seven o'clock A. M. on the following day; provided, however, that any person engaged in such business of pawnbroking may be permitted to keep open such place of business on Saturday of each week, and on the first twenty-four days of December (except Sundays), on which said days it shall be lawful to conduct and carry on such business between the hours of seven o'clock A. M. and nine o'clock P. M. No such place of business used for the conduct of such pawnbroking business shall be open for business on Sundays or the following holidays: January 1, May 30, July 4, December 25, Labor Day, Thanksgiving Day, or any day on which a primary or general election is held.

Section 5. Section 6. In order to facilitate the apprehension of thieves and the more rapid restitution of purloined articles to the owners, in addition to said book, every person licensed as aforesaid, at the time of taking or receiving any article in the business for which he is so licensed, shall place the description of the article or thing pledged, received or taken, upon the front side of a blank form card, three inches by five inches, which card shall be provided by the licensee.
