September 19, 1938.

To the Honorable President and
Members of the Common Council
of the City of Indianapolis.

Gentlemen:

Attached please find copies of General Ordinance No. 77, 1938, authorizing the issuance and sale of refunding bonds of the City of Indianapolis in the amount of Six Hundred Thousand (\$600,000.00) Dollars. Said money to be used to pay City Hall Bonds of 1909 that fall due January 1, 1939.

I respectfully recommend the passage of this ordinance.

Yours very truly,

H. NATHAN SWAIM,
City Controller.

At this time Dr. Theodore Cable, Chairman of the Committee on Public Works, made the following statement relative to the purchase of the Indianapolis Water Company by the City of Indianapolis:

"For some time I have been thinking about a matter which should be laid before the Indianapolis City Council. Along with many other citizens of Indianapolis I have always felt Indianapolis should own or make some investigation looking forward to the ownership of the Indianapolis Water Company.

"It has been a matter of common knowledge, that during the life of Mr. C. H. Geist, of Philadelphia, who personally controlled the water company, that there never was an opportunity to negotiate for the property, much less acquire it. Since Mr. Geist's death there might be some opportunity to acquire the property and the possibility of getting it should be investigated, particularly since money rates are very low at this time.

"It occurs to me that now is the time for the city to at least investigate the advisability of acquiring the Indianapolis Water Company. Investigation might show that it is not available, in which event there is no harm done. It might show that the property is available but that it would not be good business to buy it, on the other hand there is always the possibility that investigation might lead to the acquisition of the property on terms advantageous to the city and the citizens of Indianapolis. As to these possibilities I have no conclusions, my only thought is that it will do no harm to make inquiry at this time.

"I suggest that the council select a special committee to investigate this matter, all of which should be based on revenue bonds at no cost to the taxpayers of Indianapolis and no increase in water rates."

THEODORE CABLE, Councilman,
Public Works Committee.

Mr. Kealing made a motion to appoint a committee to investigate the matter. The motion was seconded by Mrs. Dowd.

After a discussion of the matter by the members of the Council and at the suggestion of the presiding officer that he would prefer to have the appointment made by the President of the Council, Mr. Kealing amended his motion to hold the appointment of a committee until some later date. The amended motion was seconded by Mrs. Dowd and passed by the viva voce vote of the Council.

Mr. Cable asked for a recess. The motion was seconded by Mr. Kealing and the Council recessed at 7:50 p. m.

The Council reconvened at 8:25 p. m., with the same members present as before.

GENERAL ORDINANCE No. 77, 1938

AN ORDINANCE of the City of Indianapolis, Indiana, authorizing the issuance and sale of refunding bonds of said city, and matters connected therewith, and fixing a time when the same shall take effect.

WHEREAS, the City of Indianapolis now has outstanding bonds which will mature and be payable in the year 1939, for the payment of the principal of which no provision has been made; and

WHEREAS, at the regular levy period in September, 1938, the Common Council found that it would be for the best interests of the city and its taxpayers that the time of payment of the indebtedness evidenced by said bonds should be extended and the rate of interest thereon reduced, and that provision be made for the payment of the indebtedness evidenced by such bonds over such period of years as will equalize the tax burden, and that such result can be best obtained by the issuance and sale of refunding bonds of the city; and

WHEREAS, said bonds maturing in the year 1939 so to be provided for are as follows: City Hall Bonds of 1909, issued under date of January 15, 1909, in the amount of Six Hundred Thousand Dollars (\$600,000.00), all of which are payable on January 1,

WHEREAS, the Common Council now finds that the foregoing amount of outstanding bonds of the city which will mature and be payable in the year 1939 is greater than can be reasonably provided for out of the taxes to be collected in said year on the rates heretofore established, and that the credit of the city will be seriously impaired in the event of failure to provide for the payment of said outstanding obligations;

Said notice shall be published once each week for two consecutive weeks in two local newspapers, and shall be posted in three public places.

Section 5. Said refunding bonds shall be offered for sale by the Acting City Controller as soon as may be done after the final adoption of this ordinance in order that there may be no default in payment of the outstanding bonds hereinabove described, which mature January 1, 1939. Prior to the sale of any of said refunding bonds the Acting City Controller shall cause to be published a notice of the sale of said bonds, once each week for two weeks in two local newspapers. The date fixed for the sale of said bonds shall

not be earlier than seven days after the last of said publications. Among other things said notice shall advise the bidders that all bids for said bonds shall be filed with the Acting City Controller in his office in said city, in sealed envelopes marked "Bid for City Hall Refunding Bonds of 1938"; that each bid shall be accompanied by a certified check payable to the City of Indianapolis in an amount equal to two and one-half per cent ($2\frac{1}{2}\%$) of the amount of said bonds to guarantee the good faith of the bidder, and that in the event the bidder to whom the bonds are awarded shall fail or refuse to comply with the provisions of its bid, then said check and the proceeds thereof shall be and become the property of the City of Indianapolis and shall be taken and considered as the liquidated damages of the city on account of such failure or refusal. Said notice shall also provide that bidders for said bonds shall be required to name the rate of interest which said refunding bonds are to bear, not exceeding the maximum rate herein provided, and that such interest must be in multiples of one-fourth ($\frac{1}{4}$) of one per cent (1%), and not more than one interest rate shall be named by each bidder; that the Acting City Controller will award said bonds to the highest qualified bidder who has submitted his bid in accordance with the notice of sale, and that the highest bidder will be the one who offers the lowest net interest cost to the city, determined by computing the total interest on all of the bonds to their maturities and deducting therefrom the premium bid, if any.
