COMMUNICATIONS FROM THE MAYOR

October 14, 1940.

To the Honorable President and Members
of the Common Council of the
City of Indianapolis, Indiana.

Gentlemen:

I am returning herewith General Ordinance No. 92, 1940, unsigned.

This ordinance was passed by you under suspension of rules at your last regular meeting. No notice to taxpayers was given. I am advised that notice was not legally necessary under the present statutes, but the State Board of Tax Commissioners prefer that said notice be given, and this transfer be submitted for their approval, so in deference to their wishes I am returning said ordinance unsigned.

This transfer as set out in said ordinance is an important one and an emergency exists because of the near approach of bad weather. A new ordinance has been prepared covering the same subject and a notice to taxpayers has been given. I hope you will promptly pass the new ordinance.

Respectfully

R. H. SULLIVAN,
Mayor.

Indianapolis, Indiana.

October 21, 1940.

Mr. President:

I move that General Ordinance No. 93, 1940, be amended to read as follows:

GENERAL ORDINANCE No. 93, 1940

AN ORDINANCE of the City of Indianapolis, Indiana, authorizing the issuance and sale of bonds for the purpose of refunding certain outstanding obligations of said city, and matters connected therewith; and fixing a time when the same shall take effect.

WHEREAS, the City of Indianapolis, Indiana, now has outstanding certain bonds which will mature and be payable on the 1st day of January, 1941, for the payment of the principal of which no provision has been made in the existing budgets and tax levies; and

WHEREAS, at the regular levy period, the common council omitted such provision for payment because it found that it would be for the best interest of the city and its taxpayers that the time of payment of the indebtedness evidenced by said bonds should be extended and the rate of interest thereon reduced, and that provision should be made for the payment of the indebtedness evidenced by such bonds over such period of years as will equalize the tax burden, and that such result could be best obtained by raising funds for such payment through the issuance and sale of refunding bonds of the city; and

WHEREAS, said bonds maturing on January 1, 1941, payment of which is so to be provided for are as follows, to-wit:

(1) "Fire Department Equipment Bonds, 1920," issued under date of December 15, 1920, of which issue twenty (20) bonds, aggregating the sum of Twenty Thousand Dollars (\$20,000) will mature and are payable on January 1, 1941, and bear interest at the rate of five and one-quarter per cent ($5\frac{1}{4}\%$) per annum; and

(2) "City Hospital Bonds, 1925," issued under date of July 1, 1925, of which issue twenty (20) bonds, aggregating the sum of Twenty Thousand Dollars (\$20,000) will mature and are payable on January 1, 1941, and bear interest at the rate of four and one-half per cent ($4\frac{1}{2}\%$) per annum; and

(3) "Track Elevation Bonds of 1921," issued under date of April 25, 1921, of which issue fifteen (15) bonds, aggregating the sum of Fifteen Thousand Dollars (\$15,000) will mature and be payable on January 1, 1941, and bear interest at the rate of five and one-half per cent ($5\frac{1}{2}\%$) per annum; and

(4) "Municipal Bridge Bonds of 1926," issued under date of July 1, 1926, of which issue two (2) bonds, aggregating the sum of Two Thousand Dollars (\$2,000) will mature and be payable on January 1, 1941, and bear interest at the rate of four and one-half per cent ($4\frac{1}{2}\%$) per annum; and

WHEREAS, the common council now finds that payment of the total amount of said outstanding bonds of the City of Indianapolis, in the aggregate sum of Fifty-seven Thousand Dollars (\$57,000), and which will mature and be payable on January 1, 1941, can-

not be then made for the reason previously set out, and that no funds will be available therefor, except as herein provided, and that the credit of the city will be seriously impaired in the event of failure to provide for the payment, at maturity, of said outstanding obligations; NOW, THEREFORE,

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:

Section 1. That for the purpose of obtaining funds with which to pay and cancel the outstanding bonds of the city, heretofore described, which will mature and be payable on the first day of January, in the year 1941, and for the purpose of extending the time of payment of the indebtedness evidenced by said bonds, reducing the rate of interest thereon, and equalizing the burden of taxation, there shall be issued and sold fifty-seven (57) negotiable, direct, general obligation bonds of the City of Indianapolis, in the sum of One Thousand Dollars (\$1,000) each, numbered from one (1) to fifty-seven (57), both inclusive, and designated as "City of Indianapolis Refunding Bonds of 1941."

All of said refunding bonds shall be dated as of January 1, 1941. Said bonds shall mature and be paid as follows: Three (3) bonds on July 1, 1942, and three (3) bonds on each first day of July thereafter to and including July 1, 1960.

Said bonds shall bear interest at a rate not exceeding four per cent (4%) per annum, the exact rate to be determined by bidding as hereinafter more particularly provided. The first interest shall be payable July 1, 1942. Thereafter the interest on said bonds shall be payable semi-annually, on the first day of January and the first day of July of each year for the period of said bonds. Said installments of interest shall be evidenced by interest coupons attached to said bonds.

Section 2. Said refunding bonds and the interest coupons attached thereto shall be payable at the office of the treasurer of the City of Indianapolis, Indiana, in said city and state, in lawful money of the United States of America. Said bonds shall be signed in the name of the City of Indianapolis by the mayor of said city, countersigned by the city controller of said city, and attested by the city clerk, who shall affix the seal of the city to each of said bonds. The interest coupons attached to said bonds shall be executed by placing thereon the facsimile signatures of the said mayor and the said city controller, who, by the signing of said bonds, shall adopt as and for their own proper signatures their facsimile sig-

natures appearing on said coupons. Said bonds shall, in the hands of bona fide holders, have all the qualities of negotiable instruments under the law merchant.

Section 3. The form and tenor of said refunding bonds and the interest coupons to be attached thereto shall be substantially as follows, (all blanks to be filled in properly prior to delivery), to-wit:

Section 4. On final adoption of this ordinance, the city clerk shall immediately cause to be published and posted, in the manner required by law, a notice to taxpayers of the determination of the City of Indianapolis to issue all of the refunding bonds authorized by this ordinance. Said notice shall be published once each week for two consecutive weeks in two newspapers published in the City of Indianapolis, and representing the two leading political parties, and said notice shall also be posted in three public places in said city, all as provided by law.

Section 5. Said refunding bonds shall be offered for sale by the city controller as soon as may be done after the final adoption of this ordinance, in order that there may be no default in the payment of the outstanding bonds hereinabove described, which mature on January 1, 1941. Prior to the sale of said refunding bonds the city controller shall cause to be published a notice of the sale of said bonds, once each week for two consecutive weeks in two local newspapers. The date fixed for the sale of said bonds shall be not earlier than eight (8) days after the last of said publications. Said bond sale notice shall state the time and place of sale, the purpose for which the bonds are issued, the total amount to be sold, the maximum rate of interest thereon, the time and place of payment, and the terms and conditions upon which bids will be received and the sale made, and all such other information as the city controller shall deem necessary.

Among other things, said notice shall advise the bidders that all bids for said bonds shall be filed with the city controller in his

office in said city, in sealed envelopes marked "Bid for Refunding Bonds of 1941"; that each bid shall be accompanied by a certified check payable to the City of Indianapolis in an amount equal to two and one-half per cent ($2\frac{1}{2}\%$) of the amount of said bonds to guarantee the good faith of the bidder, and that in the event the bidder to whom the bonds are awarded shall fail to comply with the provisions of the bid, then said check and the proceeds thereof shall be and become the property of the City of Indianapolis and shall be taken and considered as the liquidated damages of the city on account of such failure or refusal. Said notice shall also provide that bidders for said bonds shall be required to name the rate of interest which said refunding bonds are to bear, not exceeding the maximum rate herein provided, and that such interest must be in multiples of one-fourth ($\frac{1}{4}$) of one per cent (1%), and not more than one interest rate shall be named by each bidder; that the city controller will award said bonds to the highest qualified bidder who has submitted his bid in accordance with the notice of sale, and that the highest bidder will be the one who offers the lowest net interest cost to the city, determined by computing the total interest on all of the bonds to their maturities and deducting therefrom the premium bid, if any.

Section 6. No bid for less than the par value of said bonds, including the accrued interest from the date of said bonds to the date of delivery thereof, at the rate named in the bid, shall be considered. The city controller shall have the full right to reject any and all bids. In the event the city controller shall receive no satisfactory bid for said bonds at the time fixed in said notice of sale, he shall be authorized to continue to receive bids thereafter from day to day until a satisfactory bid is received, and in the event of the continuation of the sale, the city controller shall open all bids filed at the same hour each day, as stated in the bond sale notice.

Section 7. The city controller is hereby authorized and directed to have said bonds and coupons prepared, and the mayor and the city controller and the city clerk are hereby authorized and directed to execute said bonds and the interest coupons to be attached thereto in the form and manner herein provided, and the city controller shall, after the execution of said bonds, deliver the same to the city treasurer and shall take his receipt therefor. Upon the consummation of the sale of said bonds, the city controller shall certify to the treasurer the amount which the purchaser is to pay for the same, and thereupon said treasurer shall be authorized to receive from the purchaser the amount so certified by the controller, and to deliver the bonds to such purchaser.
