Council Chamber  
Indianapolis March 26. 1841

Council met - present Messrs Little, Goldsberry, Cox Seibert and Norwood Councilmen.

Mr. Norwood in the chair.

James Morrison and others presented a petition on the subject of side walks in the words and figures following to wit:

To the Honorable the President and Common Council of the Town of Indianapolis:

The undersigned petitioners respectfully represent that they are the owners of the lots & parts of lots annexed to their respective names lying on the East side of Illinois Street in said town between Washington Street and the north half of lot number seven in square no. twenty six and that they are desirous

of improving said street between said points, by grading and gravelling the side walk on said side of said Street; and are willing to make such improvement themselves so far as their respective lots and parts of lots extend:

Your petitioners therefore pray the Common Council to cause the aforesaid improvement to be made according to such plan as they may deem expedient according to the provision of "An Ordinance to provide for the improvement of the side walks" ordained and established the 10th day of June A.D. 1839.

And your petitioners will ever pray etc.
