To the Honorable President and Members of the Common Council:

GENTLEMEN—I submit herewith letter from Board of Public Works asking for appropriations for \$231.25, \$98.85 and \$124.00 respectively for the purposes shown by said letter.

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD.

INDIANAPOLIS, IND., November 20, 1916.

Mr. R. H. Sullivan, City Controller, Indianapolis, Ind.:

DEAR SIR—I am directed to request that you recommend to the Common Council the passage of the following appropriation ordinances for this department:

An ordinance appropriating the sum of \$231.25 to settle compromise effected by Legal Department with College Park Land Company in the matter of the opening and extension of Thirty-fourth Street, under Declaratory Resolution No. 7617. The original assessment of benefits against this company for the opening of Thirty-fourth Street amounted to \$757.50, and on advice of the Legal Department the Board has modified the original roll and relieved the College Park Land Company from payment of the amount requested in this appropriation. A compromise heretofore effected with Martha N. McKay et al. for damages for land appropriated for this opening depends upon the prompt payment of the balance due, and the appropriation here requested should be made available at once.

An ordinance appropriating the sum of \$98.85 to pay judgment and costs in the appeal of Fred L. Mack et al. against award of damages for land appropriated for opening of the first alley north of Thirty-sixth Street, under Declaratory Resolution No. 8094, such decree being rendered by Marion Superior Court, Room 2, in Cause No. 101330.

An ordinance appropriating an additional sum of \$124 for purchase and installation of two vacuum steam pumps for City Hospital heating plant. The original appropriation of \$1,000 for this purpose has been found inadequate on the basis of bids received.

Very truly yours,
JOSEPH P. TURK,
Clerk, Board of Public Works.

From the Board of Public Works :

INTRODUCTION OF GENERAL AND SPECIAL ORDINANCES.

By the Board of Public Works:

SWITCH CONTRACT.

General Ordinance No. 69, 1916. An ordinance approving a certain contract granting the Lake Erie & Western Railroad Company the right to lay and maintain a sidetrack across Twenty-eighth Street, according to blue print attached, in the City of Indianapolis, Indiana.

WHEREAS, Heretofore, to-wit: on the 20th day of November, 1916, the Lake Erie & Western Railroad Company does hereby file its petition before the Board of Public Works of the City of Indianapolis, as follows:

PETITION.

To the Board of Public Works, City of Indianapolis:

GENTLEMEN—The Lake Erie & Western Railroad Company respectfully petitions your honorable Board for the right to construct, maintain and operate a sidetrack leading to its proposed engine house south of Twenty-eighth Street in the City of Indianapolis, Marion County, Indiana, to cross a part of Twenty-eighth Street immediately east of and adjoining the Lake Erie & Western Railroad Company right of way, the part of said street to be so occupied being particularly described as follows:

Commencing at the point of intersection of the north line of Twenty-eighth Street with the east line of said right of way, being 20 feet east of the center line of the Lake Erie & Western Railroad Company original main track, now the first track east of the main track of said railroad company; thence southwestwardly on said right of way line parallel with said track to the south line of Twenty-eighth Street; thence east on said street line 15 feet; thence northwardly on a straight line to the place of beginning; said part of Twenty-eighth Street being shown in yellow lines on the plan hereto attached and made a part hereof, marked "Exhibit A," the proposed track arrangements being shown thereon in red.

Said the Lake Erie & Western Railroad Company respectfully shows that this track is necessary to the operation of the proposed new round house, which is made necessary by the vacation of its present location south of Washington Street on the west side of Noble Street by reason of the elevation of the tracks in said city, and is not a menace to the use of said street in any manner whatsoever, and will not be such an additional burden as will materially interfere with the uses of the street, and your petitioner respectfully requests that your honorable body enter into a contract with it permitting the use and operation of said sidetrack for the purposes herein indicated.

All of which is respectfully submitted.

THE LAKE ERIE & WESTERN RAILROAD COMPANY,
By JOHN B. COCKRUM,
Its General Attorney.

Now, THEREFORE, This agreement, made and entered into this----- day of-----, 1916, by and between the Lake Erie & Western Railroad Company, of the City of Indianapolis, County of Marion, State of Indiana, party of the first part, and the City of Indianapolis, by and through its Board of Public Works, party of the second part:

WITNESSETH: That the party of the first part, being desirous of securing a right of way for a sidetrack or switch leading to its proposed engine house south of Twenty-eighth Street in the City of Indianapolis, Marion County, Indiana, to cross a part of Twenty-eighth Street immediately east of and adjoining the Lake Erie & Western Railroad Company right of way in the City of Indianapolis, which is more specifically described as follows: A side track commencing at the point of intersection of the north line of Twenty-eighth Street with the east line of said right of way, being 20 feet east of the center line of the Lake Erie & Western Railroad Company's original main track, now the first track east of the main track of said railroad company; thence southwestwardly on said right of way line parallel with said track* to the south line of Twenty-eighth Street; thence east on said street line 15 feet; thence northwardly on a straight line to the place of beginning; said part of Twenty-eighth Street being shown in yellow lines on plan attached thereto and made a part hereof, marked "Exhibit A," the proposed track arrangements being shown thereon in red; hereby covenants and fully binds itself, its successors, legal representatives and assigns, that, in consideration of the grant of the privileges and authority herein given, it will lay, construct and maintain said track upon the terms and conditions hereinafter set forth, to-wit:

(1) They shall be so laid, improved and kept in repair as to be safe for persons on foot, in vehicles or otherwise, and shall, at all times, be subject to the orders of the Board of Public Works of the City of Indianapolis.

(2) Said track and switch shall be laid upon such grade as shall be established by said Board, and shall be put down under its supervision and to its satisfaction and approval. Said track shall be raised or lowered to conform to any grade which may, from time to time, be hereafter established, whenever so ordered, in writing, by said Board, and shall be made to conform in all respects with any ordinance passed by the Common Council or with any resolution or resolutions made by said Board, for the elevation or depression of said tracks.

(3) The crossing where said track intersects Twenty-eighth Street in said city shall, at all times, be kept improved and in repair and free from obstructions or defects of any kind. No car or cars shall be permitted to obstruct such crossing or to be thereon except for such time as may be absolutely necessary in moving them back and forth, and they shall be at no time stopped or detained thereon in such manner as to obstruct public travel.

(4) Said party of the first part agrees, upon the written order of said Board, made for any good cause affecting the interest of the City or the public welfare, to take up and remove said track, and upon said party's failure so to do, upon such notification in writing, of ten (10) days, to promptly pay the cost of having the same done, and the party of the first part hereby releases all claims for damages whatsoever that may arise by reason of such removal; and in removing said track or causing the same to be done, said Board shall in no wise become a trespasser.

(5) The party of the first part agrees to pave between said track to the entire satisfaction of the second party, and in case said tracks shall be or become out of repair or in need of being reconstructed, or become in any way defective (of which fact the said Board shall be the exclusive judge), it shall be the duty of the said party of the first part to promptly repair or remove same, failing in which, after notification in writing of ten (10) days, said Board shall do or cause the same to be done at the expense of the said party of the first part, and for which expense and cost the said party of the first part shall be liable.

(6) The said party of the first part herein binds itself to hold said party of the second part and said city harmless from any and all claims for damages growing out of the existence, maintenance or use of said track, and to pay any judgment, with costs, that may on that account be rendered against the said party or said city, and also to pay all necessary expenses that may be incurred by said city in defending against any such claims.

(7) Any violations of any of the provisions of this instrument by said party of the first part, or by any one for it or at its instance or with its permission, shall operate as an immediate and absolute forfeiture of the privileges and authority given or granted by this contract, provided, however, that the same may be terminated by said Board, as hereinbefore set forth.

Said party of the second part, by virtue of the provisions of an act of the General Assembly of the State of Indiana, entitled "An act concerning municipal corporations," approved March 6, 1905, and in consideration of the things hereinbefore set forth and upon the terms and provisions stipulated, hereby gives, grants and duly vests said party of the first part the right, privilege and authority to lay and maintain an additional sidetrack or switch across Twenty-eighth Street in the City of Indianapolis, all as shown by the drawing attached hereto, filed herewith and for greater certainty marked "Exhibit A."
