September 11th 1858

Council Chamber September 11th 1858

Council met at 7 oclock P.M.

Present the Mayor and councilman Cottrell, Dunlap, Durham, English, Greenfield, Geiesendorff, Hadley, Locke, McNabb, North, Fletcher and Vandegrift

On motion the minutes of August 28th were read and adopted.

PETITIONS

Mr. Locke presented the following

Indianapolis Sept 1st 1858

Col Maxwell

Mayor of Indianapolis

D. Sir.

The city is indebted to me \$671.26 balance due on property purchased of Athon & Elliott for Hospital purposes.

The amount is divided into two notes Signed by James McCready Mayor, each for \$335.63, at 7 per centum interest from January 1st 1855.

Both notes were due January 1st 1856. I desire the payment of the orders or notes, or an assurance from the council of 12 per centum upon the whole amount to date \$843.50. I make these propisitions believeing your honours will consider either reasonable and will concede to one or the other, with a request to lay this communication before the Honorable council over which you preside.

I remain

Yours truly

James S. Athen

On motion by Mr. Donlap the above was reffered to the finance committee

Mr. Vandegrift presented the following

To the Common Council of the City of Indianapolis.

The undersigned would respectfully represent that they about to occupy a room in the lower part of the Metropolitan Theatre as an Agricultural

Page 243

September 11th 1858

Ware house, and that are desirous of erecting as an appendage thereto a hay and grain Scales. They would therefore ask your honorable body to grant your petitioners permission to erect Said Scales opposite to the lot on which said Theatre Stands, on Tennessee Street. So as not to interfere with the travel on Said Street, or the public convenience, and as in duty bound your petitioners will ever pray &

Park & Braden

The above petitioners have my consent for the erection of Said Scales
Valentine Butch

Henry Colestock
Street Commissioner

On motion by Mr Geiesendorff the above report was recieved and the clerk was instructed to draw orders on the Treasury for the amounts, to the persons named in the report

From the Civil Engineer

The Civil Engineer reports to the city Council

1st That the citys portion of the estimate allowed Ephraim Croas for grading and graveling West Street, between Washington and North Streets, amounts to \$95.70 (1688 1689)

On motion by Mr North the clerk was ordered to issue an order for the above amount to Ephraim Croas.

2d That the bouldering of the gutters at crossing of Deleware Street and Massachusetts avenue, and at crossing of Illinois and North Streets measures 368 Superficial yards at 90 cents, amounts to \$331.20, which is now due Samuel J. Patterson (1638 to 1653)

On motion by Mr North the clerk was ordered to issue the above amount to S. J. Patterson, on the City Treasury-

3d Having measured the wooden Culvert in the ditch at intersec-tion of South, and East Streets erected by John.B.Stumph amounts to \$268.57 $\frac{1}{2}$ (1681 1682 1683)

On by Mr North the clerk was ordered to issue to John. B. Stumph for the amount named above.

4th The Bond of P.K. Farrell for grading North Street between Illinois and Delaware Street; and also the Bond of Michael O. Conner for grading and graveling Liberty Street between Washington, and New York Streets, are herewith Submitted to the Council for approval.

On motion the bonds were accepted and approved

Page 249

September 11th 1858

5th The proposal recieved for improveing Streets and Sidewalks ordered by last meeting of Council, are also Submitted

On motion the bids were reffered to the Committee on Streets and alleys and instructed to award contracts to lowest responsible bidders.

6th A. Profile of Illinois Street and Bluff Road, between South Street and the donation Line, is herewith Submitted to the council for approval

On motion the profiles of the above named Streets were accepted and approved -

7th The grading and graveling of Vermont Street between Mississippi and California Streets, performed by Jeremiah Shea, has been finished and an Estimate allowed.

8th The Civil Engineer notified the Lafayette Rail Road Company to enlarge the Culvert under their track at the crossing of Washington Street, and has been informed that the request will be attended to

9th The Engineer made a Survey for the purpose of draining Delaware Street, and ascertained that Delaware Street at

intersection of McCarty Street is five feet higher than the hollow, in the Bluff Road near Underhills Mill, and four feet higher than the low ground in the Bluff Road, immediately north of Ray Street.

10th Timothy Haley, the lowest bidder for grading and graveling the Side walk on West Side of Delaware Street, between Maryland Street and Pogues run, has failed to give Security, and Jeremiah Shea being the next lowest bidder, has given bond and Security which is herewith Submitted to the Council for approval.
Indianapolis Sept 11th 1858

James Wood
Civil Engineer

On motion the bond of Jeremiah Shea was accepted and approved for the grading and graveling of the above named Sidewalk
