REPORTS FROM CITY OFFICERS.

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,
CITY OF INDIANAPOLIS.
INDIANAPOLIS, IND., August 20, 1906.

To the President and Members of the Common Council:

GENTLEMEN: I herewith present a communication from the Department of Public Works requesting an additional appropriation of \$30,000 for sweeping and cleaning improved streets.

A considerable sum has been expended out of the annual appropriation for sweeping and cleaning improved streets for new apparatus of various kinds and for improvement of the property used in connection with this work. It is also the intention to purchase feed in very large quantities thus effecting a very large saving to the city.

I present herewith an ordinance appropriating the amount asked for and recommend its passage.

Respectfully submitted,
GEO. T. BREUNIG,
City Controller.

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD,
INDIANAPOLIS, IND., August 15, 1906.

George T. Breunig, City Controller, City:

DEAR SIR: In order to continue the cleaning of improved streets in an efficient manner for the balance of the year it will be necessary to have more money.

We, therefore, respectfully request that you recommend to the Common Council the passage of an ordinance appropriating the sum of \$30,000 for the Sweeping and Cleaning of Improved Streets Fund.

Yours truly,

By JOSEPH T. ELLIOTT,

INDIANAPOLIS, IND., August 20, 1906.

To the President and Members of the Common Council:

GENTLEMEN: I herewith submit communications from the Department of Public Works requesting additional appropriations as follows:

For payment of assessments.....	\$ 500.00
For blank books, printing and stationery.....	2,000.00
For fountains and wells.....	500.00

I have prepared and herewith present an ordinance transferring the several sums asked for from the "Bridge" fund and recommend its passage.

Respectfully submitted,
GEO. T. BREUNIG,
City Controller.

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD,
INDIANAPOLIS, IND., August 15, 1906.

George T. Breunig, City Controller, City:

DEAR SIR: There is a balance in the fund for payment of assessments of only \$202, while there is an assessment against the city at the present time for a sewer in the first alley west of Shelby street amounting to \$266.15. It will be necessary to have more money to pay this assessment, and also other assessments that will probably come due before the end of the year.

We, therefore, respectfully request that you recommend to the Common Council the passage of an ordinance appropriating the sum of \$500 for this purpose.

Yours truly,

By JOSEPH T. ELLIOTT,

George T. Breunig, City Controller, City:

DEAR SIR: It will be necessary to have an additional appropriation for blank books, printing and stationery, as on account of the large number of improvements being made this year we have been obliged to spend more money than usual for stationery and advertising, the advertising on street improvements being a very large item.

We, therefore, respectfully request that you recommend to the Common Council the passage of an ordinance appropriating the sum of \$2,000 for Blank Books, Printing and Advertising Fund.

Yours truly,

By JOSEPH T. ELLIOTT,

George T. Breunig, City Controller, City:

DEAR SIR: At the beginning of the year we found most of the drinking fountains in a bad condition, several being almost entirely destroyed, and the repair of same about exhausting the appropriation made this year of \$500.00. The Board of Health insists on several wells being made deeper, so as to put them in a sanitary condition.

We, therefore, respectfully request that you recommend to the Common Council the passage of an ordinance appropriating the sum of \$500.00 for the Fountains and Wells Fund.

Yours truly,

By JOSEPH T. ELLIOTT,

GENTLEMEN: The balance to the credit of the fund known as "Miscellaneous Expenses of City Officers" is insufficient to contract and pay for the publication of the Annual reports for the year 1905, which will cost about \$1,200.00.

I, therefore, recommend the passage of the accompanying ordinance transferring the sum of \$1,500.00 from the appropriation heretofore made for "Payment of Bridge Bonds" to said "Miscellaneous Expenses of City Officers" fund.

Respectfully submitted,

DEPARTMENT OF PUBLIC HEALTH AND CHARITIES.
CITY OF INDIANAPOLIS,
INDIANAPOLIS, IND., August 15, 1906.

Hon. George T. Breunig, Controller, City:

DEAR SIR: I have been requested by the Board of Health to ask you to get an additional appropriation of one thousand (\$1,000.00) dollars to the Nurses fund and five hundred (\$500.00) dollars to the Dry Goods fund. We find, upon invoicing the linen at the City Hospital that there are not enough sheets, pillow slips and spreads for the beds. The patients would have one sheet to lie on and would be covered with an ordinary spread without a sheet covering.

Kindly take the necessary steps to get this appropriation.

Very truly yours,

EUGENE BUEHLER,
Sec. Board of Health.

THE ARTIFICIAL ICE AND COLD STORAGE CO.,

By M. E. Garver, *Pres't.*

Now, Therefore, This agreement, made and entered into this 3d day of August, 1906, by and between The Artificial Ice and Cold Storage Company, a corporation, of the City of Indianapolis, County of Marion, State of Indiana, party of the first part, and the City of Indianapolis, by and through its Board of Public Works, party of the second part.

Witnesseth: That the party of the first part, being desirous of securing a right-of-way for a side-track or switch from a point on its own ground south of New York street to a point north of Ohio street in the City of Indianapolis, which is more specifically described as follows:

Beginning in its own ground south of Ohio street and immediately east of the C., C., C. and St. L. Ry. Co.'s track crossing the end of the first alley south of Ohio street, thence across its own ground to the end of an alley running north from Ohio street immediately east of the said railroad tracks, thence over and upon said alley to a point thirty (30) feet north of Ohio street, hereby covenants and fully binds himself, his successors, legal representatives and assigns, that, in consideration of the grant of the privileges and authority herein given, he will lay, construct and maintain said track upon the terms and conditions hereinafter set forth, to-wit:

(1) They shall be so laid, improved and kept in repair as to be safe for persons on foot, in vehicles or otherwise, and shall, at all times, be subject to the orders of the Board of Public Works of the City of Indianapolis.

(2) Said track and switch shall be laid upon such grade as shall be established by said Board, and shall be put down under its supervision and to its satisfaction and approval. Said track shall be raised or lowered to conform to any grade which may, from time to time, be hereafter established, whenever so ordered, in writing, by said Board, and shall be made to conform in all respects with any ordinance passed by the Common Council or with any resolution or resolutions made by said Board, for the elevation or depression of said tracks.

(3) The crossing where said track intersects shall, at all times, be kept improved and in repair and free from obstructions or defects of any kind. No car or cars shall be permitted to obstruct such crossing or to be thereon except for such time as may be absolutely necessary in moving them back and forth, and they shall be at no time stopped or detained thereon in such manner as to obstruct public travel.

(4) Said party of the first part agrees, upon the written order of said Board, made for any good cause affecting the interest of the City or the public welfare, to take up and remove said track, and upon said party's failure so to do, upon such notification in writing, of ten (10) days, to promptly pay the cost of having the same done, and the party of the first part hereby releases all claims for damages whatsoever that may arise by reason of such removal; and in removing said track or causing the same to be done, said Board shall in no wise become a trespasser.

(5) The party of the first part agrees to pave between said tracks to the entire satisfaction of the second party, and in case said tracks shall be or become out of repair or in need of being reconstructed, or become in any way defective (of which fact the said Board shall be the exclusive judge), it shall be the duty of the said party of the first part to promptly repair or remove same, failing in which, after notification in writing of

ten (10) days, said Board shall do or cause the same to be done at the expense of the said party of the first part, and for which expense and cost the said party of the first part shall be liable.

(6) The said party of the first part herein binds himself to hold said party of the second part and said city harmless from any and all claims for damages growing out of the existence, maintenance or use of said track, and to pay any judgment, with costs, that may on that account be rendered against the said party or said city, and also to pay all necessary expenses that may be incurred by said city in defending against any such claims.

(7) Any violations of any of the provisions of this instrument by said party of the first part, or by any one for it or at its instance or with its permission, shall operate as an immediate and absolute forfeiture of the privileges and authority given or granted by this contract, provided, however, that the same may be terminated by said Board, as hereinbefore set forth.

(8) The party of the first part agrees, during the time for which said switch shall be maintained, to leave open and accessible to the public a space upon the ground owned by said first party at the crossing of the switch with the second alley north of Ohio street, for the purpose of affording room for vehicles to pass or turn.
