Dear Mr. Hollister:

May 29, 1952

To the President and Members of the
Common Council, City of Indianapolis

Gentlemen:

General Ordinance No. 37, 1952.

The City Plan Commission, at its regular meeting May 26, discussed the subject ordinance in the light of the proposed amendment eliminating the first four lots south of 11th Street on the west side of Delaware Street from the described district proposed to be changed to U3 or Business zoning.

It was the feeling of the Commission that this amended description did not affect its belief that the proposed change might be injurious to the use of neighboring property in the vicinity, and the members present unanimously reaffirmed the previous recommendation that General Ordinance No. 37 be not passed.

NOBLE P. HOLLISTER,
Executive Secretary,
City Plan Commission

May 28, 1952

To the President and Members of the

The resulting vote of the members of the City Plan Commission was one "aye" and eight "noes." The Commission thus disapproved this proposed ordinance and recommended against its passage.

NOBLE P. HOLLISTER,

To the President and Members of the
Common Council, City of Indianapolis

Gentlemen:

General Ordinance No. 37, 1952.

The City Plan Commission, at its regular meeting May 26, discussed the subject ordinance in the light of the proposed amendment eliminating the first four lots south of 11th Street on the west side of Delaware Street from the described district proposed to be changed to U3 or Business zoning.

It was the feeling of the Commission that this amended description did not affect its belief that the proposed change might be injurious to the use of neighboring property in the vicinity, and the members present unanimously reaffirmed the previous recommendation that General Ordinance No. 37 be not passed.

NOBLE P. HOLLISTER,
Executive Secretary,
City Plan Commission

May 28, 1952

The resulting vote of the members of the City Plan Commission was one "aye" and eight "noes." The Commission thus disapproved this proposed ordinance and recommended against its passage.
