July 16, 1952

TO THE MEMBERS OF THE COMMON COUNCIL
OF THE CITY OF INDIANAPOLIS

Gentlemen:

I am this day returning to the City Clerk, Mrs. Grace M. Tanner, General Ordinance No. 62, 1952, without my signature for the reason that;

It is my belief that if there should be a need for a change in the zoning of this area it can be done by request for special variance by the Zoning Board and not by a specific ordinance for the same.

This will not only enable the city to protect the surroundings the public owns but permit them to know what specific type structure is desired in this area instead of giving a blanket variance in zoning.

Respectfully,

ALEX M. CLARK,
Mayor
