

BIBLIOGRAPHY OF BARTON WARREN EVERMANN¹

W. S. BLATCHLEY, Indianapolis

1879. Winter birds of Carroll Co., Indiana (Collurio, Pseud.), Feb. 12; Feb. 19; Feb. 26; March 5; March 19; March 25.
1881. Large clutches of eggs. *Ornithologist and Oologist* 6:No. 5.
1881. Unusual nesting site of the chewink. *Ornith. and Ool.* 6:No. 8.
1882. American barn owl: *Aluco flammeus americanus* (Aud.) Ridgw. *Ornith. and Ool.* 7:98-99; 109-110.
1882. American barn owl. *Ornith. and Ool.* 7:141-144.
1882. Blue birds' eggs. *Ornith. and Ool.* 7:147.
1882. American barn owl, further notes. *Ornith. and Ool.* 7:166-167.
1883. Bird notes from Bloomington, Indiana. *Ornith. and Ool.* 8:27-28.
1884. Bird migration. *American Field.* 21:544-545.
1884. Arrivals of birds at Camden, Indiana. *Ornith. and Ool.* 9:74.
1884. Bird migration in Carroll Co., Indiana. The Carroll County Institute. April 9; May 11.
1886. A list of the fish observed in the vicinity of Brookville, Franklin County, Indiana. *Bull. 2, Brookville Soc. Nat. Hist.*, pp. 3-11.
1886. A day with the birds of a Hoosier swamp. *Ornith. and Ool.* 11:99-101.
1887. Birds of Monroe County, Indiana. *The Hoosier Naturalist.* 2:137-145.
- 1888-1889. Birds of Carroll County, Indiana. *The Auk.* 5:344-351. 1888; 6:22-30. 1889.
1889. The wood Ibis in Indiana. *The Auk.* 6:186-187.
1898. The teaching of biology in the public schools. *The Inland Educator*, pp. 141-143.
1898. The teaching of biology in the public schools. *The Plant World*, pp. 119-122.
1900. Description of two new species of darters from Lake Maxinkuckee, Indiana. *Rept. U. S. Fish Comm.* 1899:363-367. pl. 17.
1900. Catfish in dry weather. *Recreation.* 12:209-210.
1900. Best bait for bass. *Recreation.* 12:210.
1900. Some observations concerning species and subspecies. *Science.* 11:451-455.
1900. How to stock a lake. *Recreation.* 12:459.
1900. Only one of its kind. *Recreation.* 12:459.
1900. The large-mouth will take flies. *Recreation.* 12:459-460. •

¹ When the memorial to Dr. Evermann was published in the Proceedings in 1933, pp. 11-14, it was not possible to publish the complete bibliography of nearly 400 titles. Titles of the papers having a general interest or pertaining to the natural history of Indiana are published here by special order of the Executive Committee of the Academy.
—Editor.

1900. Bait minnows. Sixth Annual Report of the Forest, Fish and Game Commission of the State of New York, 1900. pp. 307-352. 17 figs., 3 col. pl.
