What the world needs now...

Guide to International Commerce Law

by Paul Vishny

Comprehensive handbook on U.S. and foreign law dealing with international commerce, with special emphasis on transaction among American and foreign firms. Interprets and explains import and export laws in the U.S. and abroad and describes how to write a contract acceptable to parties in two or more countries.

Also covers in depth: licensing of technology and intellectual property... distributors and other representatives... wholly owned international operations... joint venture participation... U.S. taxation of foreign operations... foreign taxation... treaty making procedures followed by the U.S., particularly income tax treaties... and much more.

Paul H. Vishny is a partner in the Chicago law firm of D'Ancona, Pflaum, Wyatt & Riskind. He is the author of numerous articles and a frequent lecturer to legal associations throughout the country.
