**Nobody can read all the
new law, but with . . .**

THE UNITED STATES **LAW WEEK**

**you can keep up with the
really *significant* new law**

You know that thousands of decisions and rulings pour from the courts and federal agencies every year. LAW WEEK guards you against missing a single development of legal importance . . . yet *saves you time by reducing your reading load!*

■ To do this, LAW WEEK's staff of lawyer-editors research hundreds of opinions and rulings every week to find the precedent-setting few that make new law. These significant cases are digested for you under quick reference topic headings in the appropriate sections designated: 1.) New Court Decisions; 2.) Federal Agency Rulings; 3.) Supreme Court Opinions.

■ To save even more of your time, the more significant opinions and rulings appearing in all sections of LAW WEEK are highlighted in a special Summary

and Analysis section — a five-minute, terse evaluation of the effect of these developments on current law.

■ A key feature of LAW WEEK is its high-speed reporting of U.S. Supreme Court opinions — in *full text* — accompanied by crisp and accurate summary digests. Mailed the same day they are handed down, these exact photographic reproductions of the Court's opinions eliminate the possibility of printing errors.

■ LAW WEEK also gives you full texts of all federal statutes of general interest, immediately after the President signs them.

■ And for easy reference, LAW WEEK is fully indexed — by topic and by case title — both for general law and Supreme Court actions.
